

Background

Bishop Kenny is a 4-year Catholic college preparatory school established in 1952. Our mission is to assist parents in the education of their children by providing a culture of faith, personal enrichment and high academic standards in which all students can achieve and excel as they prepare for college and life.

Operated by the Diocese of St. Augustine, Bishop Kenny is located in Northeast Florida on the Southside of Jacksonville. Bishop Kenny High School is fully accredited by the Southern Association of Colleges and Schools. The school holds membership in the National Catholic Education Association, the Florida Catholic Conference, The College Board, and more.

The Challenge

Keep students focused on assigned tasks. Monitor and control student access to applications and websites. Provide demonstrations to students and faculty. Provide remote assistance to students, teachers, staff and administrators.

Situation

Deployed NetSupport School to four instructional labs, Media Center and approximately 150 faculty, staff and administrator workstations.

NetSupport Solution

We are able to support a network of approximately 300 PCs, 14 servers, 1,450 students, and approximately 130 teachers, staff and administrators with only two technicians. The product has lowered our TCO (total cost of ownership) by utilizing the remote control and file distribution capabilities of NetSupport School.
