

WONDE permissions explained

When a school chooses to sync with WONDE, they will be contacted by WONDE to confirm the sync and also choose which permissions to enable. As the permissions list is quite long, it is sometimes difficult to decide which are the correct ones to choose.

To help you, here is the list of the necessary and recommended permissions you will need for ReallySchool.

Category	Permission	Necessary or Recommended	Reason
Student	View student data	Necessary	Observation creation
	View student UPI data	Necessary	Identification
